

Industry Association Input

Round 7

9/18/2008

Item	Industry Associations	Results
Animal Repellents	American Public Gardens Association	No response
	Biodynamic Agricultural Association	No response
	National Corn Growers Association	No response
	National Gardening Association	No response
	United Soybean Board Association	No response
Bath Products	Biobased Manufacturers Association	This association no longer exists.
	United Soybean Board	No response
	National Corn Growers Association	No response
	American Soybean Association	No response
	National Bio-diesel Board	No response
	Corn Refiners Association	No response
	The Handcrafted Soap Makers Guild	No response
	The Soap and Detergent Association	There has been little investigation of Petro-based vs. Oleo-based chemicals, however there are very little petro-based surfactants produced each year, precisely a production period of 4 hours for one day in one year to be exact. Fats and oils (essential oils) are a large majority of the industry's manufacturing
	Botanical Elements Trade Association	No response
Bioremediation Materials	Association for Environmental Health and Sciences	No response
	Association of Petroleum Industry Cooperative Managers	No response
	National Corn Growers Association	No response
	Oil Spill Removal Organization (OSRO)	No response
	Spill Control Association of America (SCAA)	No response
	United Soybean Board Association	No response
Compost Activators and Accelerators	Association of Compost Producers	No response
	Garden Industry Manufacturer's Association	No response
	National Corn Growers Association	No response
	United Soybean Board Association	No response
	United States Composting Council	No response

Concrete and Asphalt Cleaners	United Soybean Board	No response
	Cement Association of Canada	No response
	National Ready Mixed Concrete Association	No response
	Iowa Soybean Association	No response
	Mastic Asphalt Council	No response
Cuts, Burns, and Abrasions Ointment	American Medical Association	No response
	National Corn Growers Association	No response
	Organic Trade Association	No response
	United Soybean Board Association	No response
Dishwashing Products	United Soybean Board	No response
	International Association for Soaps, Detergents and Maintenance Products	No response
	American Institute for Cleaning Sciences	No response
	The Soap and Detergent Association	No response
	National Restaurant Association	No response
	Green Hotel Association	No response
	Green Products Alliance	No response
Erosion Control Materials	Erosion Control Technology Council	No response
	International Erosion Control Association	No response
	National Corn Growers Association	No response
	United Soybean Board Association	No response
Floor Cleaners and Protectors	United Soybean Board	No response
	North Dakota Soybean Council	No response
	National Association of Floor Covering Distributors	No response
	Association of Specialists in Cleaning and Restoration	No response
	Tri-State Restorers & Specialty Cleaners Association	No response
	World Floor Covering Association	No response

Hair Care Products	United Soybean Board Association	No response
	National Corn Growers Association	No response
	The Cosmetic, Toiletry, and Fragrance Association	No response
	The Salon Association	No response
	Professional Beauty Association	No response
Interior Paints and Coatings	United Soybean board	No knowledge of any issues related to any of the
	National Corn Growers Association	Referred to state Corn Growers Associations
	Michigan Corn Growers Association	Has not heard of any issues related to use of
	Iowa Corn Growers Association	No response
	Ohio Corn Growers Association	Not aware of any issues involving performance or
	National Association of Home Builders	No response
	National Paint & Coatings Association	Not aware of any pigments that come from renewable feedstocks; VOC content is always a big concern; green products standards look at emissions and additive exclusions that might be viewed as problematic; not aware of any real environmental or performance issues
Oven and Grill Cleaners	United Soybean Board Association	No response
	National Corn Growers Association	No response
	Organic Trade Association	No response
	The Association of Approved Oven Cleaners	No response
Slide Way Lubricants	United Soybean Board	No response
	Iowa Soybean Association	No response
	Organic Trade Association	No response
	Independent Lubricant Manufacturers Association	No response
	National Lubricating Grease Institute	No response
	Society of Tribologists and Lubrication Engineers	No response
Thermal Shipping Containers	United Soybean Board	No response
	American Soybean Association	No response
	Polyurethane Foam Association	No response
	Thermal Insulation Manufacturers and Suppliers Associations	No response
	AC&R Insulation Associations	No response
	North American Insulation Manufacturers Association	No response
	National Insulation Association	No response
